DO NOT PULL OUT

If you are stung by an insect that leaves a noticeable stinger, do not attempt to pluck it out as this will only force the remaining venom into the system.

HEAT KNIFE

Before beginning to cut raisins for baking, dip the kitchen scissors in hot water. This makes cutting much faster.

SUDS HINT

It is pretty messy when a washing machine bubbles over, so keep a box of salt in the laundry room to sprinkle on suds that threaten to overflow.
