4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once
promptness often prevents loss of a
customer.

You can build closer relations with
customers.

You can use tact in delicate situations.
And because men talk more freely
than they write, you can frequently
trace the real reason for the com-
plaint and prevent similar complaints
in the future.

Use a prepared bonfire pit if available.
Otherwise dig a shallow pit and scrape
away twigs and dry leaves. Place
rocks around it.

GOING TO MOVE?

Don't forget the house you're
leaving behind.

Here are some helpful hints.

1. See that all utilities have been disconnected or
shut off (gas, electric, telephone, etc.)
2. Notify the milkman, paper boy or others who
have been delivering to you regularly.
3. Notify the Post Office of your change of address.
4. Notify your insurance companies and secure
records of transfer from school, church, bank, etc.
5. When you're in your new location have your change
of address noted on your driver's license and auto-
mobile registration certificate.
