## 4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once  
promptness often prevents loss of a  
customer.

You can build closer relations with  
customers.

You can use tact in delicate situa-  
tions. And because men talk more  
freely than they write, you can fre-  
quently trace the real reason for the  
complaint and prevent similar com-  
plaints in the future.

Behind on orders? Let  
handy YELLOW PAGES  
introduce the suppliers  
you need. It's fast convenient.

Wise buyers say  
there's nothing like the  
YELLOW PAGES of your  
telephone book for getting  
in touch with almost every-  
one around who sells  
things, fixes things, does  
things. Try the YELLOW  
PAGES once . . . you'll use  
them often.

### SAFETY FIRST

**SHORTENS LIFE**  
Repeated pressing of creases in the same place in linen napkins and tablecloths may break the thread and shorten the life of the linens.

Always let the cold tap run for a few seconds before placing your child in the tub...then if he accidentally turns on the tap, he won't scald himself.

## NON-SMOKERS' AID

A candle burning in a room where people are smoking will protect the non-smokers from irritation.

## LOW TEMPERATURE

Always fry eggs at a low temperature, preferably in a heavy pan because heat is distributed more evenly.
