Here's how you may be sure of getting your party more often when you dial:

1. Look up your number in the latest directory.
2. Listen for the steady hummm of the dial tone.
3. Keep your eye on the dial.
4. Wait a minute before you decide your party isn't home.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because men talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

Telephone service is a friendly service. The people who operate and maintain it take a genuine satisfaction in serving you pleasantly and well. People who use the telephone a great deal find that friendliness is an instinctive habit. The telephone helps folks to know each other better.

SCRATCHED WOODWORK

One way to repair deeply scratched
woodwork is by filling the
scratches with a mixture of fine
sawdust and spar varnish. After
this filling has hardened completely,
smooth it down with fine
sandpaper.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once promptly often prevents loss of a customer.
You can build closer relations with customers.
You can use tact in delicate situations. And because men talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

People who are ready to buy turn first to the Yellow Pages. If you have something to sell or a service to offer, here's the place to tell about it. The "Yellow Pages" places your name, address and telephone number before the buyer at the very moment he wants your product or service. Call the business office for information.
