4 GOOD REASONS FOR  
HANDLING COMPLAINTS  
BY LONG DISTANCE  
You can talk over matters at once  
promptness often prevents loss of a  
customer.  
You can build closer relations with  
customers.  
You can use tact in delicate situa-  
tions. And because men talk more  
freely than they write, you can fre-  
quently trace the real reason for the  
complaint and prevent similar com-  
plaints in the future.
