4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer. You can build closer relations with customers. You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

When you go to his store to make a decision, tell him, "I saw your ad in the Yellow Pages."

People who are ready to buy turn first to the Yellow Pages. If you have something to sell or a service to offer, here's the place to tell about it. The "Yellow Pages" places your name, address and telephone number before the buyer at the very moment he wants your product or service. Call the business office for information.

Have you tried the handiest
shopping centre in
town? It's right at your fingertips
— the Yellow Pages of
your telephone book.
Quick "Yellow Pages"
have solved many a
buyer's problems. Let
them help you get in touch
with almost everyone you
need who sells things, does
things, fixes things.
