Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

When you miss the folks you love, there's nothing like a Long Distance call to keep you close together.

For emergencies or everyday use...
YELLOW PAGES
of your telephone directory are a quick, handy guide to products, services and repairs.

We want to give you fast, dependable telephone service, and you can help us by keeping your directory near your telephone and calling "Directory Assistance" only when you do not find the number listed in the directory.

People who are ready to buy turn first to the Yellow Pages. If you have something to sell or a service to offer, here's the place to tell about it. The "Yellow Pages" places your name, address and telephone number before the buyer at the very moment he wants your product or service. Call the business office for information.
