The ultimate checkout...

Imagine what would happen if you redesigned a basic cash register to include the latest innovations in computer technology and then added numerous customized systems created especially for your needs.

THAT'S EXACTLY WHAT WE DID!

Result: a complete, easy-to-use system that will save you time and money. A system that will control inventory, maintain stock levels, record and track payables and receivables, monitor your staff, even prepare financial statements.

Don't forget to plan for
concealed telephone conduit
and convenient locations
for telephone outlets
when you build your new
home. These built-in tele-
phone facilities add real
value to a home yet their
cost is very small if they
are installed during
construction.

Don't forget to plan for
concealed telephone conduit
and convenient locations
for telephone outlets
when you build your new
home. These built-in tele-
phone facilities add real
value to a home yet their
cost is very small if they
are installed during
construction.
