YELLOW PAGES get action!
 You can carry your firm's name and advertising into the homes and business places of your best prospects by being represented in the Classified section of the Telephone Directory.

Use outdoor public telephones often. They're brightly lighted and located for your convenience in residential and business districts and along highway entrances to the city.

Consult the Yellow Pages. Memory Plays Tricks With Telephone numbers. When in doubt, please look in the telephone directory first

People who are ready to buy turn first to the Yellow Pages. If you have something to sell or a service to offer, here's the place to tell about it. The "Yellow Pages" places your name, address and telephone number before the buyer at the very moment he wants your product or service. Call the business office for information.

4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE
You can talk over matters at once.
Promptness often prevents loss of
a customer.
You can build closer relations with
customers.
You can use tact in delicate situa-
tions. And because people talk more
freely than they write, you can fre-
quently trace the real reason for the
complaint and prevent similar com-
plaints in the future.
