Telephone service is a friendly service. The people who operate and maintain it take a genuine satisfaction in serving you pleasantly and well. People who use the telephone a great deal find that friendliness is an instinctive habit. The telephone helps folks to know each other better.

NEED SOME SERVICE?
 When the job calls for expert service, you can find just the people to do it by looking in the YELLOW PAGES. It's the easy, fast way to find anything you need — services, stores or products.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.
