Don't forget to plan for
concealed telephone conduit
and convenient locations
for telephone outlets
when you build your new
home. These built-in tele-
phone facilities add real
value to a home yet their
cost is very small if they
are installed during
construction.

Why did more Albertans purchase their
contact lenses from optometric offices than
from all contact lens dispensers combined?

Complete contact lens care involves diagnosis, prescription
development, dispensing and optometric follow-up eye care.
Optometrists are licensed to provide all these services.

Optometrists are your contact lens specialists!

That's why!

For further eye care information call toll-free:

1-800-272-8843
