Don't forget to plan for
concealed telephone conduit
and convenient locations
for telephone outlets
when you build your new
home. These built-in tele-
phone facilities add real
value to a home yet their
cost is very small if they
are installed during
construction.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.
