4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once.
Promptness often prevents loss of
a customer.

You can build closer relations with
customers.

You can use tact in delicate situa-
tions. And because people talk more
freely than they write, you can fre-
quently trace the real reason for the
complaint and prevent similar com-
plaints in the future.

How to be a Local Hero

Imagine a Canada where
people make giving an important
part of their lives. Where they
make time in their busy day to
think about how much they can
really give, in time and in money.
Where they don't wait to be
asked to help. Imagine the
rewards of being one of those
people. Be a Local Hero.
