**4 GOOD REASONS FOR  
HANDLING COMPLAINTS  
BY LONG DISTANCE**

You can talk over matters at once  
Promptness often prevents loss of  
a customer.

You can build closer relations with  
customers.

You can use tact in delicate situations.  
And because people talk more  
freely than they write, you can  
frequently trace the real reason for the  
complaint and prevent similar complaints  
in the future.

4 GOOD REASONS FOR  
 HANDLING COMPLAINTS  
 BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer. You can build closer relations with customers. You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.
