4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.
You can build closer relations with customers.
You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.
 You can build closer relations with customers.
 You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

BUYING BY TELEPHONE IS PROFITABLE BECAUSE YOU CAN:

- Talk over matters at once.
- Discuss details of what you want.
- Get immediate agreement on price, delivery and shipping.
- Control inventories
- Keep ahead of competition.
- Long Distance Pays.

**4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE**

You can talk over matters at once.
Promptness often prevents loss of
a customer.
You can build closer relations with
customers.
You can use tact in delicate situa-
tions. And because people talk more
freely than they write, you can
frequently trace the real reason for
the complaint and prevent similar
complaints in the future.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

 4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE
 You can talk over matters at once. Promptness often prevents loss of a customer. You can build closer relations with customers. You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.
 You can build closer relations with customers.
 You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

You'll be MISSED!
 If your ad in the YELLOW PAGES isn't under all the headings that describe your business...

LONG DISTANCE CAN IMPROVE YOUR COLLECTIONS AT LOW COST
 You talk with the person in authority.
 You can handle situations too delicate to handle in writing.
 You get the real reasons for non-payment.
 You can settle complaints... make adjustments.
