**4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE**

You can talk over matters at once. Promptness often prevents loss of a customer.  
 You can build closer relations with customers.  
 You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

You'll be MISSED!  
 If your ad in the YELLOW PAGES isn't under all the headings that describe your business...

LONG DISTANCE CAN IMPROVE YOUR COLLECTIONS AT LOW COST  
 You talk with the person in authority.  
 You can handle situations too delicate to handle in writing.  
 You get the real reasons for non-payment.  
 You can settle complaints... make adjustments.

**4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE**

You can talk over matters at once. Promptness often prevents loss of a customer. You can build closer relations with customers. You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.
