4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE
You can talk over matters at once.
Promptness often prevents loss of a customer.
You can build closer relations with customers.
You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

building possibilities of the
Yellow Pages? Call the busi-
ness office for information
about advertising in the Yel-
low Pages. Your advertise-
ment in the Yellow Pages
