**4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE**

You can talk over matters at once.  
Promptness often prevents loss of a customer.  
You can build closer relations with customers.  
You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

Don't forget to plan for  
 concealed telephone conduit  
 and convenient locations  
 for telephone outlets  
 when you build your new  
 home. These built-in tele-  
 phone facilities add real  
 value to a home yet their  
 cost is very small if they  
 are installed during  
 construction.
