**4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE**

You can talk over matters at once.
Promptness often prevents loss of
a customer.

You can build closer relations with
customers.

You can use tact in delicate situations.
And because people talk more
freely than they write, you can frequently
trace the real reason for the
complaint and prevent similar complaints
in the future.

A Personal note
from the President

THE ORIGINAL
ALBERTA
CARPET CLEANING
"ALWAYS A CLEAN STEP AHEAD"

Dear Customer,
We take our commitment to your personal environment seriously at Alberta Carpet Cleaning. That's why we use the Homesafe Thermo - Rinse truck-mounted steam-cleaning systems. Unlike ordinary cleaning methods that can leave potentially toxic chemical residue in your carpet, the fast drying Thermo - Rinse system uses a residue free clear water final rinse. Anything less just isn't carpet cleaning.

Yours truly
John Rudolph,
President

Chem-Dry® of Chinook Country

Carpet & Upholstery Cleaning Specialists

Chem-Dry is a revolutionary, patented carpet cleaning process that uses carbonation and ingredients copied from Mother Nature to make carpets fresh and clean again. With Chem-Dry's Hot Carbonating Unit, all other cleaning systems are rendered obsolete. A concept that took 20 years and millions of dollars to develop will cause you to never look at carpet and upholstery cleaning the same way again! At Chem-Dry of Chinook Country, we use a hot carbonating solution to produce millions of tiny effervescent bubbles which penetrate the carpet fibre, dissolving dirt and stains rapidly. As a result of using this unique process, excess amounts of water are eliminated preventing problems commonly associated with overwetting. The main advantages of using Chem-Dry are:

- Most carpets will dry in 1 hour!
- No dirt attracting or resoiling residue

- Most stubborn spots and stains disappear
 - Carpet life is extended
 - Carpets stay cleaner longer, making our process more economical
 - Safe and non-toxic, even for toddlers and pets
- Chem-Dry has been approved by the world's largest carpet fibre manufacturers for use on all types of carpeting from wool to synthetic, including the very latest stain resistant varieties. As an independently owned and operated franchise we at Chem-Dry Chinook Country have made it our goal to provide each and every one of our customers the very best in products and service. As well as our unique carpet and upholstery cleaning process, our technicians are certified for the following additional Chem-Dry services:

- Topsinol™ Carpet Protection

- Pro-Textile™ Upholstery Protection
- Red Alert® Red Stain Removal
- P.U.R.T.® Pet Urine Removal Treatment
- Emergency Water Removal Service
- Oriental Rug Cleaning

At Chem-Dry of Chinook Country, we pride ourselves on being different from the rest. We do not telephone solicit but rather rely upon our good name and reputation. The vast majority of work comes from our satisfied customers and their referrals. We will not be the cheapest but we believe no one can offer better quality or service. Call our office today so we can address your carpet and upholstery cleaning needs. Your carpets will love you for it!

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once.
Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.
