ADVERTISING INFORMATION

Telus Yellow Pages™ advertising is an efficient and effective way of reaching your customer. It is in virtually every home, store, hotel, & office, making it available 24 hours a day, 365 days a year. Most importantly, your potential customer uses the Yellow Pages™ - 9 out of 10 adults consult the book at least 34 times annually. Studies also show that over 90% of references to the Yellow Pages™ followed up with a phone call, visit or letter.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer. You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.
