### IN THE PUBLIC INTEREST

If you are injured in a motor vehicle accident and have a claim, you should seek legal advice immediately – before you discuss the matter with an insurance adjuster and before signing any documents.

You should understand that adjusters work for the insurance company and their interests may be directly in conflict with yours. Adjusters are under no obligation to inform you of your rights, and in many cases are not even qualified to do so. To protect your rights, call us (phones answered 24 hours).
