4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

Telephone service is a friendly
service. The people who op-
erate and maintain it take a
genuine satisfaction in serving
you pleasantly and well. People
who use the telephone a great
deal find that friendliness is an
instinctive habit. The telephone
helps folks to know each other
better.
