The YELLOW PAGES™ place your
name and telephone number before
the Buyer at the very moment he
wants what you have to sell.

The measurement of advertising
media is circulation, volume of
advertising carried public accept-
ance (usage), and economy.
Yellow Pages meets every re-
quirement and gives the bonus
of permanence.

Studies have shown that many people use the Yellow Pages™ as a buying guide. Consider that when you are looking for a place to advertise.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.
