ATTENTION HOMEOWNERS

Hiring someone for weed or pest control?

Before you hire someone to spray for weed or pest problems, be sure the company has a Pesticide Service Approval issued by Alberta Environmental Protection and that applications are performed or supervised by a certified applicator. Weed and insect control chemicals can be hazardous if they are not used properly. Don't put yourself or your neighbors at risk by hiring someone who may not be qualified.

For further information regarding pesticide applicator certification or Service Approval verification, please contact Environmental Protection, Pesticide Management Branch:

IN THE PUBLIC INTEREST

If you are injured in a motor vehicle accident and have a claim, you should seek legal advice immediately – before you discuss the matter with an insurance adjuster and before signing any documents.

You should understand that adjusters work for the insurance company and their interests may be directly in conflict with yours. Adjusters are under no obligation to inform you of your rights, and in many cases are not even qualified to do so. To protect your rights, call us (phones answered 24 hours).

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.
