ATTENTION HOMEOWNERS

Hiring someone for weed or pest control?

Before you hire someone to spray for weed or pest problems, be sure the company has a Pesticide Service Approval issued by Alberta Environmental Protection and that applications are performed or supervised by a certified applicator. Weed and insect control chemicals can be hazardous if they are not used properly. Don't put yourself or your neighbors at risk by hiring someone who may not be qualified.

For further information regarding pesticide applicator certification or Service Approval verification, please contact Environmental Protection, Pesticide Management Branch:

THE LAW FIRM YOU CHOOSE MAKES A DIFFERENCE!

Accident & Injury Claims

Call us for a free consultation for accidents involving injury or loss of life. There is no obligation. You can see us for free and we're paid only when you collect!

Call Us For Free Advice.

Our first concern is you and your peace of mind. We have helped many families through extremely trying times. Our team will take the burdens from your shoulders and handle all the details of preparing, presenting and settling your claim.

We Solve Problems The Way It's Best For You.

A courtroom is probably the last place you want to go to solve your problems. Because of our experience, in and out of court, we're able to settle most cases favorably for our clients...so they don't have to go to court. However, if you are not being treated fairly, we are prepared to take your case as far as necessary to get the best results for you.

We'll Relieve Your Financial Burden.

People injured in an accident are often surprised to find that court costs, medical and other expert reports alone can easily run hundreds, even thousands of dollars. The policy at our law firm is simple. We pay all the advanced costs on your behalf. These costs are part of your claim and we will be repaid when your claim is settled. That's our policy... we think that's how it should be.

Home, Hospital, Evening and Weekend Appointments

If you are unable to come to our office, we will meet with you in your home or at the hospital.
