KNOW YOUR TEA?

A tea taster may be able to identify as many as 1,500 different teas. By examining a dry leaf, he can tell where the tea was grown, sometimes even the estate it came from, what time of year it was plucked, its probable taste and cost.

Why wonder? . . . why worry? . . .
why wait? . . . when a Long Distance
call can give you the answers and re-
lieve your mind. You'll find the cost
is surprisingly low.
