BETTER WEAR

Fitted bottom bed sheets with elastic
sewn into the corners wear longer
than fitted sheets with non-elastic
corners.

KEEP CLEAN

Place a piece of beeswax between
two pieces of flannel and rub your iron
over it occasionally. It will keep the
iron clean and help it work smoothly.

GOING TO MOVE?
 Don't forget the house you're
 leaving behind.
 Here are some helpful hints.

1. See that all utilities have been disconnected or shut off (gas, electric, telephone, etc.)
2. Notify the milkman, paper boy or others who have been delivering to you regularly.
3. Notify the Post Office of your change of address.
4. Notify your insurance companies and secure records of transfer from school, church, bank, etc.
5. When you're in your new location have your change of address noted on your driver's license and automobile registration certificate.
