# EXCHANGE SERVICE.

---

## ***GENERAL INSTRUCTIONS.***

---

After calling Central Office, remove the Telephone from the hook, and hold it to the ear, until an answer is received from the Exchange. Give the Operator the number of the Subscriber's station required, giving the figures of the number separately, as "one-four-two-nine," instead of "fourteen-twenty-nine." Keep the Telephone to your ear, and the Operator will connect you with the party called for and ring his bell, unless his line is found to be busy, in which case she will notify you of that fact.

**Answer the calls** on your bell promptly.

**Face the Transmitter** with the mouth about one inch from the opening. Speak naturally, distinctly, and not too rapidly.

**Do not use the Telephone** during a thunderstorm.

## ***RULES AND REGULATIONS.***

---

### **DESTROY PREVIOUS LISTS.**

The right of the Subscriber is to use the instruments and connecting lines where the Company may place them, but not elsewhere, under such rules as the Company may from time to time prescribe. He shall not extend their use to other individuals, except his servants upon his business; nor shall they be used for any tolls or consideration to be paid by any person other than the Subscriber; nor does this confer on him the right to use any other instrument.

A Subscriber is not allowed to remove or otherwise interfere with the wire connections or parts of any Telephone apparatus leased from this Company.

**Moving of Instruments.**—The Telephone is first located by the Company where the Subscriber directs; if, afterwards, the instrument is required to be moved, such removal will be done by the Company at the expense of the Subscriber. Subscribers wishing their instruments moved will please fill out the blank form in the back of this book, and send it to the Local Manager. The instruments will then be moved as soon as possible.

**Numbers.**—Subscribers are requested not to advertise Telephone Numbers, but simply the word "Telephone," as it may be necessary to change such Numbers.

**The use of profane or improper language** over the lines is strictly forbidden.

**Complaints** regarding inattention on the part of employees of the Company, or of interruptions to Exchange service, should be made to the **Local Manager**. If the matter is not then satisfactorily arranged, notice should be sent to the **North-West Department Office, Winnipeg**, or to the **Head Office, Montreal**.
