

“That Line is always ‘Busy’!”

*Have you enough Telephone Equipment for
your business?*

Do YOUR customers sometimes impatiently exclaim: “That line is always ‘Busy’—I’ll call someone else!”

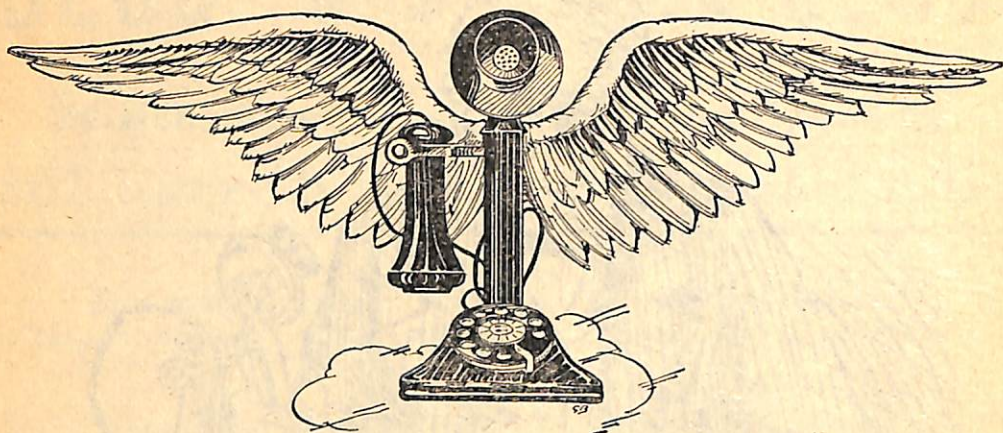

Do you realize that by false economy you may be losing business daily?

The cost of additional equipment is small compared with results from efficient service—and your customers will be satisfied!

Call our Local Manager for advice. He will be pleased to discuss this matter with you.

ALBERTA GOVERNMENT TELEPHONES

“The Silent Partner.”

Speech on Wings

Miles mean nothing to the Long Distance Telephone. Over hill and dale it will carry your message to the next town or across the continent and bring you an instant reply.

A conversation across the continent is as easy as across your desk. There is no effort, no straining. You can hear and be heard as in ordinary talk across your desk. You retain the personal touch and your customer's appreciation of active service. The rates are reasonable.

"NUMBER, PLEASE!"

Ordered Action!

It is not the man who rushes around who does the work. The quiet direct action of completing the first thing first is what counts.

Quietly and efficiently the Long Distance Telephone will carry your message. There are no elaborate preparations, no straining. At one mile or a thousand your voice will carry as clearly as in conversation across your desk. Lift your receiver, give the operator your customer's number and she will do the rest.

A few minutes quiet conversation, the ordered action of efficient communication and your business is complete. The rates are low and the results excellent.
