LONG DISTANCE CALLS ARE CLASSIFIED

STATION-TO-STATION CALLS *Where you will speak to anyone at the distant telephone.*

This type of call meets most needs and is at the lowest rate. It is the simple basic call, requiring only the connecting of two distant telephones.

PERSON-TO-PERSON CALLS *Where a particular person is desired.*

Entailing, as it does, more labor and longer use of lines, this type of call takes a higher rate. In the event of the call not being completed a small charge is made for reports furnished.

These Special Services Are Also Available

Appointment Calls . are made when a particular person is required at a specified time. The rate is slightly higher than person-to-person rate. The operator makes the appointment with the distant party.

Collect Calls Where called party is requested to pay for and accepts charges.

Messenger Calls . . are made when the called party cannot be reached by telephone and a messenger is sent to bring the party to the telephone.

Appointment, Collect and Messenger Calls are on person-to-person basis, plus charges for extra service.

GIVE THE OPERATOR THE DISTANT NUMBER IF YOU CAN—IT SPEEDS UP THE SERVICE.

DRIVERS' LICENSES

On and after July 1st, 1929, no person shall drive a motor vehicle on a highway in Alberta unless he is in possession of a driver's licence.

Licenses may be obtained at headquarters, Edmonton, or from the departmental officer in Calgary, Lethbridge and Medicine Hat.

E. TROWBRIDGE,
Deputy Provincial Secretary.
