# Directory Advertising

EVERY Telephone in Alberta has a Directory by its side every day of the year.

\* \* \*

The Directory is used thousands of times daily.

\* \* \*

It is never thrown into the waste-paper basket until a new edition is issued. Probably no other publication can make a like claim to continuity of circulation.

\* \* \*

The Telephone Directory is used for innumerable purposes—general information, correct spelling of names, street addresses, buying and selling, etc.

\* \* \*

There are many ways in which the Directory may become of additional service to subscribers—extra listings may be arranged for, by which a subscriber to Exchange Business Service may have the names of any companies he represents, or of any employee or agent, listed in the Directory, at a nominal charge, and a subscriber to Exchange Residence Service may have the name of a bona-fide member of his family listed in the Directory for one dollar per line per issue.

\* \* \*

The following Directories are issued by the Alberta Government Telephones:

Calgary and District.	Northern Division.
Lethbridge and District.	Medicine Hat and District.
Peace River District.	

\* \* \*

Our low rates and the wide circulation of the books render Telephone Directory Advertising the cheapest and most effective form of publicity you can buy.

\* \* \*

For further particulars and rates apply

## **LONG DISTANCE CALLS ARE CLASSIFIED**

### **STATION TO-STATION CALLS**

*When you will speak to anyone at the  
distant telephone.*

This type of call meets most needs and is at the lowest rate. It is the simple basic call, requiring only the connecting of two distant telephones.

### **PERSON-TO-PERSON CALLS**

*When a particular person is desired.*

Entailing, as it does, more labor and longer use of lines, this type of call takes a higher rate. In the event of the call not being completed a small charge is made for reports furnished.

## *These Special Services Are Also Available*

### **Appointment Calls**

are made when a particular person is required at a specified time. The operator makes the appointment with the distant party.

### **Collect Calls**

When called party is requested to pay for and accepts charges.

### **Messenger Calls**

are made when the called party cannot be reached by telephone and a messenger is sent to bring the party to the telephone.

Appointment, Collect and Messenger Calls are on person-to-person basis.
