# LONG DISTANCE CALLS ARE CLASSIFIED

**STATION-TO-STATION CALLS** *When you will speak to anyone at the distant telephone.*

This type of call meets most needs and is at the lowest rate. It is the simple basic call, requiring only the connecting of two distant telephones.

**PERSON-TO-PERSON CALLS** *When a particular person is desired.*

Entailing, as it does, more labor and longer use of lines, this type of call takes a higher rate. In the event of the call not being completed a small charge is made for reports furnished.

## *These Special Services Are Also Available*

**Appointment Calls** . are made when a particular person is required at a specified time. The operator makes the appointment with the distant party.

**Collect Calls** . . . . . When called party is requested to pay for and accept charges.

**Messenger Calls** . . . are made when the called party cannot be reached by telephone and a messenger is sent to bring the party to the telephone.

Appointment and Messenger Calls are on person-to-person basis.

**GIVE THE OPERATOR THE DISTANT NUMBER IF YOU CAN—IT SPEEDS UP THE SERVICE**
