**SERVICE - SPEED - SATISFACTION**

The Telephone  
had  
Made the  
Trip

while the  
Letter was  
Getting  
Ready;

He was writing a letter — an urgent message to a far-away business associate. If it would only reach him today, instead of a week from now!

Why not use the LONG DISTANCE TELEPHONE?

Good idea! He was speedily in touch with his party, and he delivered the message, with his own voice, in the space of a few minutes. No need to finish the letter!

The telephone had made the trip while the letter was getting ready!

## I'll Never be WITHOUT A TELEPHONE again!

“TAKE IT FROM ME! When jobs are hard to find, it pays to have a phone. I had this phone put back last week and every time I applied for work, I left my number. Three days later I got a steady job. You can bet your bottom dollar I'll never be without a telephone again!”
