SERVICE - SPEED - SATISFACTION

The Telephone
had
Made the
Trip

while the
Letter was
Getting
Ready.

He was writing a letter — an urgent message to a far-away business associate. If it would only reach him today, instead of a week from now!

Why not use the **LONG DISTANCE TELEPHONE?**

Good idea! He was speedily in touch with his party, and he delivered the message, with his own voice, in the space of a few minutes. No need to finish the letter!

The telephone had made the trip while the letter was getting ready!
