This Way —to Broader Markets

Right at your elbow is your Long Distance telephone. With it, you can talk with any of 100,000 telephones in Alberta, Saskatchewan and British Columbia.

“Clear the Way!” Long Distance seems to say—“here’s an important message!”

For there is something impressive about a Long Distance call. The customer is favorably impressed before he knows what the message is about. And Long Distance gives you the right of way into every man’s office. He can ignore your advertising, your letter, or even your traveller, but ignore a Long Distance call? Instinctively he reaches for the telephone!

Keep down selling expense. Use your “Silent Partner.” You will be amazed to find how many people can be sold your product by Long Distance—quickly—economically.

If you have several calls to make, our Local Manager can arrange to have one follow the other. Think of him as the Manager of *your* telephone service. He can suggest ways of applying Station-to-Station service to your business.

Brings the Farm to Town

NOW that he can order it at once by Long Distance from his favorite dealer in village, town or city, nothing is too good for the farmer. "You advertised a special sale of phonographs in today's paper. Ship me one"—he telephones.

Within the same convenient radius of your store are scores of thrifty housewives who would be pleased to have a merchant solicit their trade by Long Distance. Even if a sale does not result, you have advertised your business in a very effective way. They will probably call when they come to town, or order from your advertising. It's human nature.

A tire dealer called up 29 strangers by Long Distance and sold tires to 8 of them. A follow-up letter or personal call later brought nearly all the others to his store.

Don't let your telephone idle. Long Distance can bring suburban prospects within sound of your voice. Turn it into a salesman, and keep it busy. Every other means of communication is a substitute for the voice—the voice is YOU.

Think of our Manager as the Manager of your Telephone Service.
