The Broad Highway

Isolation is no longer a condition to be faced by settlers in the remote towns, villages and hamlets of Alberta.

Today the long distance telephone Service provides a broad highway, linking up regions that were formerly almost inaccessible.

Your telephone gives you direct connection with 100,000 telephones in Alberta, Manitoba, Saskatchewan and British Columbia. Are you taking advantage of the facilities provided for the elimination of tiresome correspondence and expensive travel?

The Telephone Directory gives full information as to the rates and classes of Service available.

Directory Advertising

EVERY telephone in Alberta has a Directory by its side every day of the year.

* * *

The Directory is used thousands of times daily.

* * *

It is never thrown into the waste-paper basket until a new edition is issued. Probably no other publication can make a like claim to continuity of circulation.

* * *

The Telephone Directory is used for innumerable purposes—general information, correct spelling of names, street addresses, buying and selling, etc.

* * *

There are many ways in which the Directory may become of additional service to subscribers—extra listings may be arranged for, by which a subscriber to Exchange Business Service may have the names of any companies he represents, or of any employee or agent, listed in the Directory, at a nominal charge, and where two persons are sharing the same residence they may both be listed in the Directory for a small extra charge.

* * *

The following Directories are issued by the Alberta Government Telephones:

Calgary and District.	Northern Division.
Lethbridge and District.	Medicine Hat and District.
Peace River District.	

* * *

Our low rates and the ever-increasing circulation of the books render Telephone Directory Advertising the cheapest and most effective form of publicity you can buy.
