*Have you enough Telephone Equipment for

Do YOUR customers sometimes impatiently exclaim: “That line is always ‘Busy’—I’ll call someone else!”

Do you realize that by false economy you may be losing business daily?

The cost of additional equipment is small compared with results from efficient service—and your customers will be satisfied!

“The Silent Partner.”

Speech on Wings

Miles mean nothing to the Long Distance Telephone. Over hill and dale it will carry your message to the next town or across the continent and bring you an instant reply.

A conversation across the continent is as easy as across your desk. There is no effort, no straining. You can hear and be heard as in ordinary talk across your desk. You retain the personal touch and your customer's appreciation of active service. The rates are reasonable.
