Chiropractic Health Service

Spinal strains from poor posture, working positions, etc., often cause displacements. Nerve supply to vital organs frequently is corrupted when the spine, containing numerous important nerve centres, becomes misshapen, or any of its individual bones displaced. Many different kinds of sickness may result. Chiropractic adjustments act to correct this **cause** of disease.

■ ■ ■ ■

Your Good Health May Depend on Chiropractic Health Service

■ ■ ■ ■

Some of the conditions which have been handled **SUCCESSFULLY** by **CHIROPRACTIC METHODS** include:

Arthritis	Lumbago
Asthma	Neuritis
Bronchitis	Sciatica
Constipation	Functional Menstrual Disorders
Headaches	Functional Nerve Disorders of Vital Organs
High Blood Pressure	
Stomach Trouble	

Foot Adjustments by Dr. Marsh for the Relief of Aching Feet

If you have a health problem, let us talk it over together. It is quite probable that I can be of service to you. If not, I will frankly tell you so. Phone or write for appointment.

DR. G. E. MARSH

BUY WAR SAVINGS

IF YOU are in business

ASK YOURSELF THESE QUESTIONS:—

- Where is there a more obvious place for a prospective customer to look for something which he desires to purchase, or a service he wishes to use, but doesn't know where to obtain it, than the

Classified Section of a Telephone Directory?

- Where is there any other publication covering the field in the same way, in a form which is kept from day to day for the full life of the issue, and which if destroyed is replaced?
- Where by any other method can the field of business be covered at such low cost?
- The Telephone Directory is a publication unique in itself, and your advertisement cannot be lost during the life of an issue.
- Telephone subscribers represent purchasing ability — when a home has a telephone it also has money to spend. So there is no waste circulation; everywhere a Directory is placed there are prospective customers.

Y O U

can take advantage of this by completely classifying all your lines under their various classifications and by Display Advertising in the

“Yellow Pages”
of Your Telephone Directory
