Marsh G E 459 1 St 2370

Chiropractic Health Service

Spinal strains from poor posture, working positions, etc., often cause displacements. Nerve supply to vital organs frequently is corrupted when the spine, containing numerous important nerve centres, becomes misshapen, or any of its individual bones displaced. Many different kinds of sickness may result. Chiropractic adjustments act to correct this cause of disease.

■ ■ ■ ■

Your Good Health May Depend on Chiropractic Health Service

■ ■ ■ ■

Some of the conditions which have been handled SUCCESSFULLY by CHIROPRACTIC METHODS include:

Arthritis	Lumbago
Asthma	Neuritis
Bronchitis	Sciatica
Constipation	Functional Menstrual Disorders
Headaches	Functional Nerve Disorders of Vital Organs
High Blood Pressure	
Stomach Trouble	

Foot Adjustments by Dr. Marsh for the Relief of Aching Feet

If you have a health problem, let us talk it over together. It is quite probable that I can be of service to you. If not, I will frankly tell you so. Phone or write for appointment.

DR. G. E. MARSH
