FURNITURE STAIN REMOVER

If you have a piece of heat-stained furniture, apply a thin paste of salt and salad oil. Let stand for an hour, then remove. Unless the stain has really penetrated the grain of the wood, it will respond to this treatment.

"what YOU should"
know about your .. SEPTIC TANK

ANNUAL
FREE INSPECTION
ON SEPTIC TANK RISERS

If your tank is not cleaned in time, it will overflow inducing solids into your finger system. You will be unaware of this until it backs up into your house sewer. The septic tank then must be uncovered, cleaned and finger system relocated. This is a costly undertaking, perhaps very damaging to your lawn and emphasizes the need for periodic inspection and cleaning.

DISH DIVIDER

Use aluminum foil to divide an oblong baking dish. Place small amounts of leftovers in each section to warm. Not only does it have everything warm at one time, but it saves washing many pots and pans.

LISTEN FOR THE

DIAL TONE

Sometimes, these busy days, all
equipment is in use at once.
When that happens, you'll avoid
wrong numbers or incomplete calls
if you wait just a moment till
you hear that familiar
"hum-m-m-m" that tells you the
line is ready.

FILLS THE BILL FOR EASY SHOPPING

WHEN IS SHOPPING EASY? When you know where to buy what you're looking for. The Yellow Pages of your telephone directory "fill the bill" for easy shopping — they give the name, address, and telephone number of the store or person who sells any product or service available in your town.

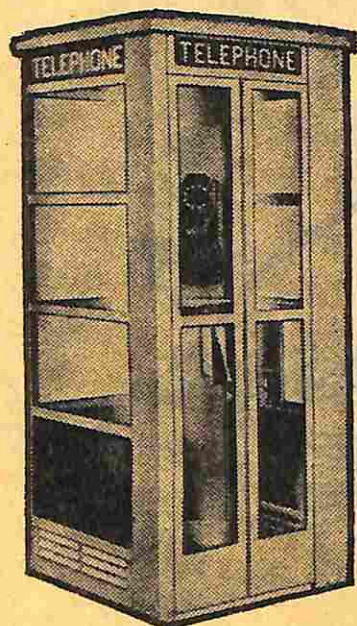

TURN THROUGH THE YELLOW PAGES of this directory. You'll see products and services listed in alphabetical order under bold-type headings. Then under each heading you'll find the firms that sell, rent, or repair that item. Some stores have ads that give information on brands they carry, store hours, deliveries, and special services.

YES, THE YELLOW PAGES ARE EASY TO USE—a big saver of time, money, and effort. Make the most of them. When in doubt about "where to buy it," always look first in the Yellow Pages.

stop the "hot ones"

Hot prospects, that is. And what could be hotter than the prospects who turn to the Yellow Pages as their buying guide. These are people who are ready to buy a product or service and are just looking for someone to buy it from. Be there with your sales message when they're looking and stop 'em while they're hot.
