FURNITURE STAIN REMOVER

If you have a piece of heat-stained furniture, apply a thin paste of salt and salad oil. Let stand for an hour, then remove. Unless the stain has really penetrated the grain of the wood, it will respond to this treatment.

CARPET HINT

Grease and soot stains on a carpet
may be removed by sprinkling with
salt and rubbing vigorously. Several
applications may be necessary. Old
stains may be lightened considerably
by rubbing with a salt and water
paste. To restore freshness, wipe with
a cloth or sponge which has been
dipped in strong salt solution and
wrung out to remove excess
moisture.
