DO NOT PULL OUT

If you are stung by an insect that leaves a noticeable stinger, do not attempt to pluck it out as this will only force the remaining venom into the system.

In these busy days when saving time is so important, more and more telephone users are following the thoughtful way of answering the telephone: "Harry Smith speaking." Such an introduction establishes identity, saves time and makes a good impression.

NOT TOO COLD

Milk should not be kept in excessive cold as milk which is frozen and then thawed may have its flavor affected.
