Get The Yellow Pages Habit

GOING TO MOVE?
Don't forget the house you're leaving behind.
Here are some helpful hints.

1. See that all utilities have been disconnected or shut off (gas, electric, telephone, etc.)
2. Notify the milkman, paper boy or others who have been delivering to you regularly.
3. Notify the Post Office of your change of address.
4. Notify your insurance companies and secure records of transfer from school, church, bank, etc.
5. When you're in your new location have your change of address noted on your driver's license and automobile registration certificate.

OWNED AND
 OPERATED BY
NORMAN WITTEURONGEL

If your tank is not cleaned in time, it will overflow
 inducing solids into your finger system. You will
 be unaware of this until it backs up into your house
 sewer. The septic tank then must be uncovered,
 cleaned and finger system relocated. This is a costly
 undertaking, perhaps very damaging to your lawn
 and emphasizes the need for periodic inspection and
 cleaning.
