GOING TO MOVE?

Don't forget the house you're leaving behind.

Here are some helpful hints.

1. See that all utilities have been disconnected or shut off (gas, electric, telephone, etc.)
2. Notify the milkman, paper boy or others who have been delivering to you regularly.
3. Notify the Post Office of your change of address.
4. Notify your insurance companies and secure records of transfer from school, church, bank, etc.
5. When you're in your new location have your change of address noted on your driver's license and automobile registration certificate.

DO NOT PULL OUT

If you are stung by an insect that leaves a noticeable
stinger, do not attempt to pluck it out as this will only
force the remaining venom into the system.

BUY WHEN GREEN

Because Bartlett pears ripen from the inside out, it is wise to buy them while they are still green.

HEAT KNIFE

Before beginning to cut raisins for baking, dip the kitchen scissors in hot water. This makes cutting much faster.

GOING TO MOVE?

Don't forget the house you're
 leaving behind.

Here are some helpful hints.

1. See that all utilities have been disconnected or shut off (gas, electric, telephone, etc.)
2. Notify the milkman, paper boy or others who have been delivering to you regularly.
3. Notify the Post Office of your change of address.
4. Notify your insurance companies and secure records of transfer from school, church, bank, etc.
5. When you're in your new location have your change of address noted on your driver's license and automobile registration certificate.
