

SI-PIS-TO

ALBERTA'S PROVINCIAL BIRD

The great horned owl, called SI-PIS-TO in Blackfoot, is Alberta's provincial bird. White as an owlet, brown when mature, this magnificent bird patrols the plains of Alberta and is equally at home in the forests and valleys of the Rocky Mountains. It is representative of the many cultures that live in close harmony throughout Alberta.

SI-PIS-TO has special meaning for the native Canadian as he is said to foretell the future and his communications are carried to the elders for interpretation. He is considered 'The Wise Hunter' not only in the native Canadian culture but in many others as well.

The great leader of the Blackfoot nation, Crowfoot, wore an owl's head in his braids as a symbol of wisdom and leadership.

The above painting was done by Al Manybears of the Blackfoot nation. Mr. Manybears is at present incarcerated in a federal penitentiary and during his incarceration he has discovered a talent for depicting the traditions of his culture in paintings and sketches. His work has been shown throughout the province and it has been praised for its historical significance. His aim in recording the traditions in this way is to keep alive the colours and themes of the early days for the benefit of all Albertans and especially to give young Canadians pride in their country's heritage.

Don't Know Your Postal Code

Ask Your Local Postmaster

To assist you in conveniently obtaining the Postal Codes of others, Postal Code Directories are located in Post Offices and Postal Stations in your area. When you next visit your post office, use the opportunity to obtain any Postal Codes needed.

The Standard Letter . . . It's as easy as 1-2-3!

The Standard Letter means the best possible level of postal service — and the most economical postal rates. The Standard Letter — your best value.

1. Size

Envelope must be rectangular and fall within sizes shown:

2. Thickness

Thickness not to exceed 5 mm (3/16").

Changing Address?

1. The Postal Code is part of the street address, so leave your old code behind — there's a new one waiting at your new address. To find out what your new code will be, call your local Postmaster. The best time to call is as soon as you know your new address.

2. Canada Post will provide you with as many Change of Address Announcement Cards as you need. Simply fill them out and mail them to everyone who sends you mail: friends, relatives, magazines, utility companies, banks, credit accounts, etc. You'll enjoy uninterrupted mail service if everyone knows your new address (including Postal Code).

When you move, make sure that your mail moves with you !

3. For a small service fee, Canada Post will automatically redirect your mail to your new address, beginning the day you move in. Remember, though, that this service doesn't notify your correspondents of your new address; use Change of Address Announcement Cards for that.

Change of Address / Annonce de changement d'adresse

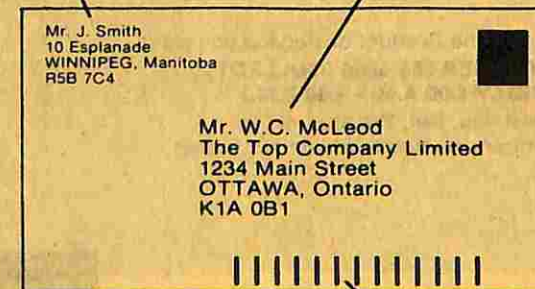

Please change my mailing address effective	Veuillez changer mon adresse postale a compter du	D	J	M	Y
Name (block letters)		Nom (en majuscules)			

3. Addressing

The Forward Address must include the Postal Code.

Your Return Address goes here. And don't forget to include your Postal Code. It helps others to know your code.

The Forward Address, including the Postal Code, goes here. The Code should appear as the last item of the address, on a line by itself.

Leave at least a 19 mm (3/4") blank space along the bottom of the envelope for machine handling.

GOING TO MOVE?

Don't forget the house you're leaving behind.

Here are some helpful hints.

1. See that all utilities have been disconnected or shut off (gas, electric, telephone, etc.)
2. Notify the milkman, paper boy or others who have been delivering to you regularly.
3. Notify the Post Office of your change of address.
4. Notify your insurance companies and secure records of transfer from school, church, bank, etc.
5. When you're in your new location have your change of address noted on your driver's license and automobile registration certificate.
