You can talk over matters at once

You can use tact in delicate situations.
And because men talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

**4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE**

You can talk over matters at once
promptness often prevents loss of a
customer.

You can build closer relations with
customers.

You can use tact in delicate situations.

And because men talk more freely
than they write, you can frequently
trace the real reason for the com-
plaint and prevent similar complaints
in the future.

Two friendly telephone
 habits . . . quick to answer
 when your telephone
 rings; SLOW to hang up
 when you call someone
 who does not immediately
 respond. When calling
 others, remember that the
 called person may be al-

 few seconds longer.
