**4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE**

You can talk over matters at once
promptness often prevents loss of a
customer.
You can build closer relations with
customers.
You can use tact in delicate situations.
And because men talk more freely
than they write, you can frequently
trace the real reason for the com-
plaint and prevent similar complaints
in the future.

ON THE SAFE SIDE

Don't overload electrical outlets and
never run extension cords under
carpets.

Wilderness Camping

Always take food along with you.
Don't depend on any catch of fish,
game or berries for your meals.

NEVER BOIL

Never boil an egg. High temperatures
toughen it.
