#### COVER STORY

The peregrine falcon normally prefers the heights of a high cliff for nesting far removed from a busy city centre. However, a remarkable coincidence occurred during the summer of 1983, when two pairs of the rare peregrines decided to nest high atop AGT buildings in the downtown core of Edmonton and Calgary. The busy summer of the Edmonton peregrine family is chronicled through a series of photos courtesy of the "Edmonton Journal".

The "AGT Falcons" are two of six known pairs of peregrines to have nested outside captivity in Alberta. During their AGT summer, the falcons were monitored by Alberta Fish and Wildlife biologists who are working with the Canadian Wildlife Service and other organizations to help preserve the peregrine falcon.

# Postal Information

## Information

**Rates and Regulations**

**Enquiries**

**Hours of Service**

Ask Customer Service or your Local Postmaster. Telephone information is listed in the White Pages under "Canada Post".

**Don't Know Your Postal Code**

**Ask Your Local Postmaster**

To assist you in conveniently obtaining the Postal Codes of others, Postal Code Directories are located in Post Offices and Postal Stations in your area. When you next visit your post office, use the opportunity to obtain any Postal Codes needed.

## The Standard Letter . . . It's as easy as 1-2-3!

The Standard Letter means the best possible level of postal service — and the most economical postal rates. The Standard Letter — your best value.

### 1. Size

Envelope must be rectangular and fall within sizes shown:

### 2. Thickness

Thickness not to exceed 5 mm (3/16").

## Changing Address?

**1.** The Postal Code is part of the street address, so leave your old code behind — there's a new one waiting at your new address. To find out what your new code will be, call your local Postmaster. The best time to call is as soon as you know your new address.

**2.** Canada Post will provide you with as many Change of Address Announcement Cards as you need. Simply fill them out and mail them to everyone who sends you mail: friends, relatives, magazines, utility companies, banks, credit accounts, etc. You'll enjoy uninterrupted mail service if everyone knows your new address (including Postal Code).

**When you move, make sure that your mail moves with you !**

**3.** For a small service fee, Canada Post will automatically redirect your mail to your new address, beginning the day you move in. Remember, though, that this service doesn't notify your correspondents of your new address; use Change of Address Announcement Cards for that.

### Change of Address Announcement / Annonce de changement d'adresse

### 3. Addressing

The Forward Address must include the Postal Code.

Your Return Address goes here. And don't forget to include your Postal Code. It helps others to know your code.

The Forward Address, including the Postal Code, goes here. The Code should appear as the last item of the address, on a line by itself.

Leave at least a 19 mm (3/4") blank space along the bottom of the envelope for machine handling.

## FILLS THE BILL FOR EASY SHOPPING

**WHEN IS SHOPPING EASY?** When you know where to buy what you're looking for. The Yellow Pages of your telephone directory "fill the bill" for easy shopping — they give the name, address, and telephone number of the store or person who sells any product or service available in your town.

**TURN THROUGH THE YELLOW PAGES** of this directory. You'll see products and services listed in alphabetical order under bold-type headings. Then under each heading you'll find the firms that sell, rent, or repair that item. Some stores have ads that give information on brands they carry, store hours, deliveries, and special services.

**YES, THE YELLOW PAGES ARE EASY TO USE**—a big saver of time, money, and effort. Make the most of them. When in doubt about "where to buy it," always look first in the Yellow Pages.
