It's easier to understand
and jot down numbers too,
if they are spoken in
sequence with pauses
between groups of numerals.
For instance, in reading
aloud the telephone
number of our business
office, we would say, "Two
two four (pause) six two,
six one."

4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE

You can talk over matters at once.
Promptness often prevents loss of a
customer.

You can build closer relations with
customers.

You can use tact in delicate situa-
tions. And because men talk more
freely than they write, you can fre-
quently trace the real reason for the
complaint and prevent similar com-
plaints in the future.
