4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.
You can build closer relations with customers.
You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.
You can build closer relations with customers.
You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE
You can talk over matters at once.
Promptness often prevents loss of a
customer.
You can build closer relations with
customers.
You can use tact in delicate situa-
tions. And because people talk more
freely than they write, you can fre-
quently trace the real reason for the
complaint and prevent similar com-
plaints in the future.

Behind on orders? Let
handy YELLOW PAGES
introduce the suppliers
you need. It's fast convenient.
Wise buyers say
there's nothing like the
YELLOW PAGES of your
telephone book for getting
in touch with almost every-
one around who sells
things, fixes things, does
things. Try the YELLOW
PAGES once... you'll use
them often.

4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE
You can talk over matters at once.
Promptness often prevents loss of a
customer.
You can build closer relations with
customers.
You can use tact in delicate situa-
tions. And because people talk more
freely than they write, you can fre-
quently trace the real reason for the
complaint and prevent similar com-
plaints in the future.
